

4th May 2021

Dear schools,

We are delighted to announce our Live Music annual summer tour of Walsall Schools is back.

Last year we were denied the chance to perform live to students, but in the last week of this summer term 2021 our music staff will be out on the road once more to bring live music into your schools. The team is busy preparing an interactive, educational performance to include a wide range of varying styles and genres that the children (and staff) are sure to enjoy.

Subsidised by the Arts Council of England and supported by the Walsall Music Educational Hub and Service, the performance costs just £50.

In view of current social distancing measures we are suggesting a number of performance scenarios. Our Live Music team will be following up-to-date government guidelines, and will adhere to each school's required social distancing protocols, but for us to play to as many students as possible you may want to go with one of these performance options:

1. We perform in an area of your school with as many students that we are allowed in that space, and the rest of the school watches from their classrooms via in-school video routing (if available).
2. We perform off-site and transmit our performance into your school using Microsoft Teams, Google Classroom, or Zoom.
3. Weather permitting, we perform outside to as many children as possible. The team will require a covered area to perform with access to power outlets.

N.B. If you are planning to stage an outside performance please prepare to revert to an inside option if the weather proves unsuitable.

To book a date and time, please complete the attached pro-forma and email to jmaddison@walmused.org.uk by Friday 28th May 2021.

Please also note that due to limited availability, schools will be allocated on a first-come-first-served basis.

Kind regards

James Maddison
