Walsall Music Education Service (WMES) photographs and videos a range of its activities. Footage may be used for media and promotion of our events, concerts and rehearsals as well as for future events. This promotion may be made by WMES on our website or social media channels. Other promotions may be made by specific partner organisations for specific events.

In addition, sometimes Music Centre activities take place at external/public venues where it is also possible that other 3rd parties, unknown to us, may take pictures or footage of performers.

By consenting you:

- are agreeing to your child, or you if you are 19 yrs/Y14 or over, being photographed and/or videoed
- are agreeing to use of that footage on the WMES YouTube channel and website and possibly also on social media platforms such as X (formerly Twitter), Facebook, Instagram, etc;
- are agreeing to use of footage by WMES specific partners on their official media channels for promotion of specific events
- understand that sometimes Music Centre activities take place at external/public venues where it is possible that other 3rd parties, unknown to us, may take pictures or footage of performers

It should be noted that: once online it is not possible to retract the photo or footage and WMES cannot prevent unauthorised downloading of files or photos.

Please tick the box that applies:

- I consent to the above
- I **DO NOT** consent to the above

You have the right to change your consent at any time. This request must be put in writing and acknowledged by WMES.
